

Letter to the Remnant of the Congregations

Miner Perkins

January 2019

11th Month 6018

calculatingthelastseven.com

This is it; the day of Yahuweh/Yehovah is at hand! 2017 began the final countdown of end time prophecy and began the end of the last days. Yahuweh/Yehovah is now declaring to all of his people who will listen across the entire earth that he is coming, and is even revealing his timing of end time prophecies and his coming. None of this is secret or hidden. It is all right out in the open where anyone can see it. Yahuweh/Yehovah is putting together his timeline of the last days, revealing pieces to everybody. I have simply put together everyone's pieces with the pieces he has been revealing to me and the prophetic events which are being fulfilled into a full picture that is becoming more and more complete by the day.

I have made this timeline (which began in the *Calculating the Last Seven* book) available free as a PDF to download or print on my website calculatingthelastseven.com, because this is Yahuweh/Yehovah's timeline that belongs to him and belongs to the world. He is the one who has put together this timeline through the prophetic words he has given in Scripture and to his people in modern times. Every true move of Yahuweh/Yehovah is revealed by him to everybody around the world as far as each person's understanding, and he is telling everyone now ahead of time what he is doing in these last days. And he is revealing all of his set dates with his words and prophecies. I have simply documented and laid everything out so that everyone can go through all of it themselves to study and learn and hopefully to go beyond the foundation I have laid to discover and understand even more of what is happening.

Before going into all of the evidence that Yahuweh/Yehovah himself is declaring that we are in the last days leading up to his return in years (not decades), Yahuweh/Yehovah has recently shown me a very freeing revelation in his first coming. The first time he came to walk the earth, he went about fulfilling all of the prophecies in spite of the fact that no one paid attention to them or understood them. His own closest disciples missed the whole thing even as it was happening. It was only after the prophecies happened and were fulfilled, then Yeshua explained it all to them when it was all over and done. And then looking at the prophecies that had just happened they were able to gain understanding after they happened, not before. But the goal the first time Yeshua came was not for everyone to understand everything while the prophecies were happening. The goal was for everyone to go through the process of coming to know him more and then understand everything later when it was all done.

Again as Yeshua returns in his second coming, we are not going to understand the prophecies until after they happen. Then Yahuweh/Yehovah will explain them to us and we can understand them in hindsight like the first time. Most will even miss the prophecies and will not understand anything going on until after Yeshua comes at the end of the tribulation and then explains the prophecies to us again like the first time. There will be some Simeons and Hannahs who wait upon Yahuweh/Yehovah day and night who will receive understanding of the prophecies as they happen, but the goal is not to understand it all right now. It is wonderful to see how Yahuweh/Yehovah just goes on fulfilling all of his prophecies even when no one takes any notice of them. That is just part of who he is as a person; he is not a show off who does things by magic to grab everybody's attention. He wants people to seek after him and find him as he hides what he is doing out in the open where anybody can see it if they want to.

Our part is simply to accept what he is doing and stay in obedience to him in our part to play in everything. Then after he comes he will explain it all to us just as he did the first time after everything was all done. I only

have a partial understanding at this point of what Yahuweh/Yehovah is doing and how the end times work. I do not have a full understanding yet, but it does not bother me, because Yahuweh/Yehovah is going to do the end times his way anyways whether I understand it or not. I am just enjoying being with him through it all, even though I would rather not have to go through any more tribulation than I have already been through. But it is okay that we do not all understand everything while it is happening; we only need to understand our part of his will that he wants each of us to play out. There will probably even be some who will be taken up in the rapture at the end of the tribulation and think that they have just been taken up in the pre-tribulation rapture. They will have missed the whole thing that just happened, and because of not understanding the tribulation and the latter rain taking place, they will think that it was just another bad thing to happen on the earth like World War II and another revival like the other revivals that happened during World War II. They will not lose their salvation because of not understanding everything; they just will not get to participate in everything that Yahuweh/Yehovah is doing in the last days, staying out in the wilderness instead of going into the promise land.

So the goal is not for everyone to understand everything; the goal is the same as always, to know Yahuweh/Yehovah and to proclaim the truth for those who want Yahuweh/Yehovah's understanding in order to make the last days easier to go through. Yahuweh/Yehovah will take care of helping everyone to understand at the end of it all.

Signs of the End Times: (All of the following I have documented in the *Prophecy Countdown* PDF and update on my website calculatingthelastseven.com on the *Prophecy Countdown* page.)

1. **Latter Rain:** If the end times are happening then we would expect the latter rain to be taking place as the final harvest and revival on the earth before Yeshua returns. And according to Yahuweh/Yehovah he is claiming that the latter rain and final harvest revival of the earth began in Jerusalem on October 8, 2017 (17th day of the 7th month 6017) and in the gentile nations in the summer of 2018 through the words and prophecies he gave through John Kilpatrick, Jennifer Yvonne, Kent Christmas, and the fulfillment in Australia of the prophecy he gave to Smith Wigglesworth about the final revival before his return. Even the word which Yahuweh/Yehovah gave to Benny Hinn decades ago that Billy Graham's death would be the sign of the start of the biggest revival in history fits perfectly with all of the other words he has given to everybody when Billy Graham died in the Hebrew year of 6017, as the latter rain began going out to the gentile nations a few months later in Australia. Yahuweh/Yehovah is claiming that he has begun the latter rain, the final revival and harvest of the earth, in 2017. And according to the dream he gave to John Ramos, this final revival proclaimed through the word of Yahuweh/Yehovah through John Kilpatrick will be a thorn and thistle revival, a revival that will go through tribulation and last for 7 years from 2017 to 2024.

2. **The First 5 Seals:** If the end times are happening then we would expect the seals to be opening, and Yahuweh/Yehovah has claimed now to Rhonda Empson through a dream and Lois Vogel Sharpe (Lois's I have not yet been able to include in the *Prophecy Countdown* PDF) with a prophetic word that the first 5 seals are already open, and the 6th seal will be opened soon, in confirmation of the word he gave me many years ago telling me about seals already having been opened. (This is supported also by the fact that the messenger has come from the east to be standing ready with the seal of the 144,000 for the opening of the 6th seal as shown later.) It has taken me 15 years now of research and study and instruction from Yahuweh/Yehovah on the end times to try and understand how and when the first 5 seals were opened, and now anyone can go and clearly see for themselves that the first 4 seals were opened on September 11, 2001, and were the 4 spirits, the 4 riders and chariots, of war, including the first seal of Political War in the northern hemisphere centered north of Israel, the second seal of Military War to and fro across the earth, the third seal of Economic War in the northern hemisphere centered north of Israel, and the fourth seal of the result of war, Death from war, famine, and plague

spread by animals, across ¼ of the land in the southern hemisphere centered south of Israel. And the Islamic State helped in the opening of the 5th seal as the blood of the martyrs crying out from the earth was shown on live television and internet across the entire earth for everyone to see.

3. **Apostasia:** If the end times are happening then we would expect to see a movement of people ‘turning against’ and going in the opposite direction of the way that Yahuweh/Yehovah created things to be, to go against him in rebellion to change his commands and laws to run the universe. And not only are many now who claim to love him going in the opposite direction against him by denying his image of the man and woman joined together without any gender confusion and accepting the murder of children as a woman’s right, but every society in the world now is turning and changing direction now to go against the way that Yahuweh/Yehovah created nature and mankind to be. And the movement within Christianity to turn against Yahuweh/Yehovah, to claim to love him but then turn against his commands, has now begun to enter into the mainstream in 2018. The apostasia, the lack of love for Yahuweh/Yehovah and the turning cold among believers, is already here.

4. **The Final Proclaiming of the Good News to all the Earth:** If the end times are happening then we would expect to see a final proclaiming and teaching of the Good News of both salvation through Yeshua and the Good News of his imminent return up to the moment when the end comes with the placing of the disgusting abomination idol. And Yahuweh/Yehovah is claiming that 2017 was the start of the final proclaiming of the Good News before the end comes at the middle of the 7 years with the word that he gave through John Kilpatrick and the word he gave to Jack van Impe in 2017 to be the final prophet to tell everyone the Good News of Yeshua’s very soon return to the earth to set up his kingdom. Jack van Impe was on his death bed for 5 years from one medical emergency to another, even in a coma for a time, and Yahuweh/Yehovah has raised him up from his death bed at the age of 87 to do the final proclaiming that Yeshua is returning. He is currently reaching with his weekly program 7 billion 600 million people across every single type of media on earth with the Good News of Yeshua’s return, the entire earth, and has signed the contracts for the programming for 3 years until 2021 when he will be in his 91st year. And additionally in 2017, Yahuweh/Yehovah told Sadhu Selvaraj to begin proclaiming and teaching the Good News of Yeshua’s soon return to set up his kingdom on the earth, the Good News of the Kingdom, as the focus of his television and satellite ministry. So according to Yahuweh/Yehovah we are now in the final proclaiming of the Good News in Matthew 24 leading up to when the end comes with the disgusting abomination idol.

5. **The Messenger with the Seal of Yahuweh/Yehovah for the Foreheads of the 144,000:** If the end times are happening and the first 5 seals have been opened, then we would expect to see a preparation for the sealing of the 144,000 when the 6th seal is opened. And on December 29, 2018 (21st day of the 10th month 6018) the messenger with the seal of the name of his father, the name of Yahuweh/Yehovah, came from the east in Asia and from China to place the seal on the forehead of Mike Bickle in Kansas City as a sign, according to the word Yahuweh/Yehovah spoke through David Damien, of the sealing on the foreheads of all of Yahuweh/Yehovah’s people on the earth ahead of time in preparation for when the New World Order begins the mark of the beast. And this seal was also in fulfillment of a prophecy Yahuweh/Yehovah gave through Paul Cain decades ago that there would be a gathering of young people in the Kansas City convention hall that would have written over it “Holiness to the LORD.” Not knowing any of this, a nameless and faceless Egyptian man had a dream of the upcoming Onething 2018 gathering, that recently took place December 28-31 in the Kansas City Convention Center, of the words “Holiness to the LORD” written over the gathering.

And Yahuweh/Yehovah instructed him to make the gold plate seal that is worn on the forehead of the High Priest. And Yahuweh/Yehovah told him to write on the seal in Hebrew and English and Arabic “Holiness to the Lord” קודש ליהוה. The name of Yahuweh/Yehovah, ‘his father’s name’ in Revelation 14, was written in Hebrew on this pure gold seal fashioned after the seal of the High Priest. I have looked at the prophecies of the 144,000

many times in Revelation and never once did I figure out that the seal that is on the foreheads of the 144,000 with the name of Yahuweh/Yehovah written on it is the exact same seal that is worn by the High Priest on his forehead with the words “Set-apart to Yahuweh/Yehovah.” Others might have already figured this out, that the Hebrew word chotham in Exodus used to describe the gold plate on the forehead of the High Priest is actually the Hebrew word for seal. Now that we get to see what the seal of the 144,000 looks like, it makes perfect sense that they are sealed as High Priests to the nations.

But now from the east a physical representation of the spiritual seal that is on the foreheads of the 144,000 has now appeared in Kansas City, and this is something that Yahuweh/Yehovah had been planning for decades to do in Kansas City, orchestrating that even the persecuted church from China from the east would be present and would be the ones to set the seal, since most of the 144,000 will come from southeast Asia where the 10 northern tribes scattered to after the days of the Persian and Greek Empires. Even though the 6th seal has not yet been opened and the 144,000 have not yet been sealed with their special seal, the messenger with the seal of the 144,000 has already risen from the east, ready and waiting for the 6th seal to be opened, which means there is not much time left to the opening of the 6th seal.

6. The Appearing of Elijah and Moses and the 2 Witnesses: If the end times are happening then we would expect to see Elijah and Moses coming in some form like they did at Yeshua’s first coming. Whether or not the 2 witnesses turn out to be Elijah and Moses or 2 other men taking on the mantle and calling of Elijah and Moses like John the Immerser, we would still expect them to appear in some form for the preparation of the coming of the 2 witnesses. In June 2017 Elijah was seen before 1,000 witnesses descending from the heavens on Mount Karmel in Israel at the gathering of a prophetic conference led by Sadhu Selvaraj’s television ministry. Almost everyone there saw him. Yahuweh/Yehovah had told Sadhu the day before that it was now time for Elijah to come and had told him to take the gathering of the conference to Mount Karmel. At the same time everyone saw Elijah on the mountain there was at least one man who had never even heard of Sadhu or the conference who saw Elijah appear in his home on the same day. And during the year there were many who saw Elijah appear in their homes who wrote to tell Sadhu about it. Then in December 2017 Yahuweh/Yehovah called Sadhu to stop all ministry and to sit and wait for him, and he waited on him daily for months, during which time Yahuweh/Yehovah took him up to stand before him at his throne room and told him to begin preparing the way for the soon coming of the 2 witnesses. And also during that time Elijah and Moses appeared to him and instructed him about the 2 witnesses and what to do to prepare. Then later in 2018 Yahuweh/Yehovah had Sadhu do two prophetic gatherings as a sign that in 2018 it is now time for Moses to appear. And during those conferences many at the conferences and watching live in their homes saw Moses appear. So whether Elijah and Moses will be the 2 witnesses or not, the actual Moses and Elijah have already appeared to many and Yahuweh/Yehovah has already called a man, Sadhu, to prepare the way for the coming of the 2 witnesses along with the preparation for his return.

7. Victorious Strengthening of the Covenant for Many for 1 Seven: If the end times are happening, and if we are in the last 7 years, then we would expect Yahuweh/Yehovah to strengthen the covenant for many for 7 years as a sign that the 7 years had begun, and the latter rain began at the Temple Mount in Jerusalem as the light sprinkling prophesied by Hosea on the 17th day of the 7th month, as Yahuweh/Yehovah’s people began to be raised up on the 3rd day of the Festival of Sukkot just as Yeshua was raised on the 17th day of the 1st month, on the 3rd day of the Festival of Matsot, 2 days or 2,000 years later. Yahuweh/Yehovah claimed through multiple words he gave to many people that 2017 was the start of the latter rain and the final revival and harvest of the earth. He even said that it would last for 7 years, as we would expect if the 7 years of the latter rain is the 7 year strengthening of the covenant for many that ends with his return as an eternal river of his Spirit poured out on everyone at his return at the final harvest. The ark of the covenant will still be part of this 7 year strengthening of the covenant, but I cannot find anywhere in Scripture that says it has to be present at the start

of the 7 years. It could be there at the end instead and still fulfill the Daniel 9 prophecy of the anointing of the set-apart of set-aparts at the completion of all of the 70 sevens.

But either way, according to all of the numerous words and dreams and visions Yahuweh/Yehovah has given to many various people who are in no way connected with each other, the latter rain and final revival and harvesting of the earth before Yeshua returns has begun. And the Temple Institute is now publicly telling everyone that they know where the ark of the covenant is under the Temple Mount, that the rabbis have secured its location, and are just waiting for the right time to bring out. They are not only telling everyone online on their website, but also to regular people on tours under the Western Wall. But you probably already know all about that and more going on.

8. **The Rebellion of Desolation:** If the end times are happening, and if we are in the last 7 years, then we would expect to see the rebellious transgression that causes desolation to the foundation of the set-apart place in Daniel 8, starting the 2,300 evening morning countdown to the restoration of set-apartness. And on June 14, 2018, throughout the week, over 1,000 Muslims went in secret under the cover of darkness from evening to morning to desolate the Temple Mount foundation where the set-apart place once stood in transgression against the Israeli court order to halt all digging on the Temple Mount as they trampled the truth to the ground, in an attempt to cover up and hide and destroy the artifacts located there giving evidence that the set-apart place once stood on the Temple Mount, in so doing trampling over the host of the Jewish people of Israel, treating them and their Elohim as worthless and of no value. And because the act of desolation was done in secret between evening and morning it almost went completely unnoticed to the point that almost no one reported on it, and it would have been missed if it had not been for the archaeologist who saw the online video the Arab workers put online revealing what they were doing. I would have completely missed it if Yahuweh/Yehovah had not supernaturally alerted me and shaken me up to go look for a rebellious act of desolation during the time frame of June and Ramadan, which then helped my brother to find one of the only news articles available in English online. An act of rebellious desolation fulfilling every literal Hebrew word of Daniel 8:11-14 happened against the foundation of the set-apart place, and if the 2,300 evenings and mornings are counted from June 14, the date of restoration of set-apartness will be on September 30, 2024, which will be right in the proper range of dates to be within days of the Fall Festivals that year at the completion of the 7 year latter rain confirmation of the covenant.

9. **The Beast Out of the Sea:** If the end times are happening, then we would expect to see the Beast rise up out of the sea, as the divided Roman Empire and Islamic Empire feet begin to come together in preparation for when the little horn anti-messiah is revealed in the middle of the 7 years. And on the 13th day of the 7th month 6018 on September 24, 2018 at the UN in New York City as Iran and Europe actually began to enter into an economic alliance, along with Russia and China sitting in, 2 feet of 2 empires which had not been together in alliance since the days of the secularized governments of the Middle East put in place to prevent the Islamic empire foot from rising again as a world power after World War I. As the nations of the Middle East return to Islamic governments they are coming closer and closer to becoming a restoration of the Islamic Empire. As the nations of Europe are restored more and more into unity, they are continuously coming closer to becoming a restoration of the Roman Empire, particularly the Holy Roman Empire that ruled from Germany for many centuries. But throughout all of the history of these 2 feet of Daniel's statue, the Islamic and Roman Empires have always been divided against each other in war. Yet now as both empires are being revived and coming back to life, for the first time in 1,500 years they are actually beginning to come together to form an alliance of economic, political, and military unity through Turkey and Iran, though still remaining divided as Daniel was shown in the interpretation of the dream. The pieces and remnants of the old empires are beginning to come back to life and form back together again as glued together pieces of broken up iron and clay.

And on the nights right after the beast out of the sea began rising from the meeting in the UN Yahuweh/Yehovah gave dreams of a dragon to James Smith, Lois Vogel-Sharpe, and Rhonda Empson separately, a dragon rising up out of a pool of water and in the sky above New York City, bringing destruction to the inhabitants of earth. So Yahuweh/Yehovah himself is even confirming that the beast is now rising up out of the sea as of September 24, 2018.

10. **The 70 Sevens of Daniel:** If the end times are happening, and if we are in the last 7 years, then there needs to be a fulfillment of the 70th seven of Daniel's sevens counting a total of 70 sevens from a command to rebuild Jerusalem, and the time range of 2017 to 2024 is within the range of a 70th seven from Suleiman I's command to rebuild Jerusalem.

Words, Visions, and Dreams: Yahuweh/Yehovah is claiming that 2017 is the start of the end times according to the word he gave through Neville Johnson. And Yahuweh/Yehovah is also claiming through the word he gave through Joseph son of Jacob to Neville Johnson that 2021 is the end of 7 years of plenty and the start of the time when it will be difficult for Christians to buy and sell. Yahuweh/Yehovah is claiming through the vision and word he gave to Loren Sandford that the end of 2020 into 2021 will be the start of great persecution of Christians, the greatest revival that has ever been (which could only be Yahuweh/Yehovah pouring out his Spirit on all flesh), and the start of 3 ½ sticks (3 ½ years). Additionally, through dreams he revealed to Church in the Wilderness (Beverly), Yahuweh/Yehovah is claiming that from the fall of 2017 there are 42 months to the end in the spring of 2021. Yeshua reveals that the end is when the disgusting abomination idol is revealed at the start of the 3 ½ years of tribulation in the middle of the 7 years. When all of the pieces are put together, Yahuweh/Yehovah is claiming that 2021 is the start of the 42 months of the mark of the beast when it will be difficult for Christians to buy and sell, that it is the start of the 1,290 days of tribulation when Christians will experience great persecution, that it is the start of Yahuweh/Yehovah pouring out his Spirit on all flesh at the opening of the 6th seal during the Joel 2 war, and that the disgusting abomination idol will be placed on the set-apart place at the removal of the continual in Jerusalem in the spring of 2021.

Added to this is the word Neville Johnson received from Yahuweh/Yehovah in a vision in 2010 in which Yahuweh/Yehovah said that in 14 years from 2010 'at evening time it will be light.' If it will be light at evening time in the year 2024, then it means that Yahuweh/Yehovah is claiming that in 2024 he is going to stand on the Mount of Olives according to Zechariah 14. There is too much to include everything in the letter, but I have everything thoroughly documented in the *Prophecy Countdown* PDF.

Whether we are in the last 7 years or not, Yahuweh/Yehovah is telling everyone that he is about to do some major big things beginning in 2021, and that there are major changes coming in that year that will cause life to become difficult for his people. Major things are coming in 2021 and there is little time left to prepare for them. No matter what it is that happens, Yahuweh/Yehovah is warning his people ahead of time that he is doing things now in our time as he is fulfilling end time prophecies left and right on a daily basis all around us. It is time to get ready for whatever is coming and whatever Yahuweh/Yehovah is going to begin in 2021.

It is going to be very difficult for many Christians and believers in Yeshua to accept the end times happening this way, but it was difficult for most to accept Yeshua's first coming as well. Even Yeshua's closest disciples did not believe him or accept that he would be crucified and killed and raised up again on the third day. He told them and they ignored what he said he would do, then were confused when it happened and thought that they had missed the whole thing or something had gone wrong. Again Yahuweh/Yehovah is telling all of his people across the earth what he is going to do for the end times, but again most, even as they are hearing him say what he is going to do, are not believing him, and again everyone is going to be confused when the end times happen exactly as Yahuweh/Yehovah has said he would do it. But the goal is not for everyone to understand the end

times, the goal is just for everyone to daily walk with Yahuweh/Yehovah and obey him. Then he will explain it all to us after he comes, just like he explained it the first time he came, after his first coming was all finished.

It is now time for all of Yahuweh/Yehovah's people to be constantly in communication with him, praying and listening without ceasing, every moment of every day seeking him on what we need to be doing for that day to stay in his will and to be prepared for what he is doing now on the earth. If just one of the signs I wrote into the letter had happened then we might be able to pass it off as coincidence, but to have this many end times prophecies and signs happening to the point that almost every end time prophecy is in process of fulfillment on one level or another, there is no way to pass any of this off as coincidence anymore. The time is short regardless of how the coming years are going to play out. Even if Yahuweh/Yehovah is not coming in the year 2024, he will be here very shortly after, no matter how anyone might calculate the prophecies in Scripture. The end times are already upon us and the prophecies of the end times will not stop in their daily fulfillment until Yeshua returns and the earth is completed in the 7th millennium. Let us not let a single day go by without hearing directly from Yahuweh/Yehovah what he wants each of us to do each day; every single day waiting before him at his feet to hear from him without ceasing what his will is for each and every day from now until he comes in the clouds at the end of the tribulation.
